Dear Community Supporter,

The Community School is partnering with the Circle of Love-Maryland for a Scavenger Hunt on Saturday, March 10, 2018 to raise money to help support the school. Part of our mission is help our young people who want to advance their education, improve their lives and better their community. Students develop their skills, knowledge, creativity, confidence, intellectual curiosity and worldview in a safe, supportive and comfortable yet rigorous environment.

Knowing we are making a difference, Circle of Love-Maryland whose mission is to give back to others and spread kindness has chosen The Community School as the 2018 beneficiary for their annual Scavenger Hunt event. The Circle of Love-Maryland group is made-up of volunteers and receive no financial assistance. This wonderful group rely on donations from volunteers and community partners to achieve their goals in giving back. Together, we are dedicated to help our youth and community thrive.

We are reaching out to our community businesses for assistance because The Community School operates through the resources, labor and love of the kind community of people who support it. Please see attached flyer with information on our event as well as a donation request form. Will you please consider joining us to make this event a success? Even a small donation will go a long way to helping us meet the needs for the Community School to help our young people have a brighter future.

Thank you in advance for the consideration. Together, we can make a difference!

Kindly,

Tom Culotta

"There is no such thing as a 'self-made' man. We are made up of thousands of others. Everyone who has ever done a kind deed for us, or spoken one word of encouragement to us, has entered into the make-up of our character and of our thoughts, as well as our success."
